Guest Speaker:

Margaret Zweck, the new chair of the board of Country Home Services, spoke about her six years' service on the board. Country Home Services began as CHAPS, but has now widened its services to be more flexible. Its role is to assist people to stay in their homes as they age. It also helps younger people when they need help temporarily. The CEO is Craig Stanbridge. There are two managers, a small work force, plus private contractors. Information can be found on the myagedcare website. Margaret distributed information leaflets and encouraged us to consider using the service. Thanks Margaret for an informative address.

Correction: RYDA dates are Tues 5th and Wed 6th June 2018, not as in last Bulletin.
